Met Kağıtçılık Sanayi ve Ticaret A.Ş.

METPACK
Specialists in Extrusion Coating

FOOD CONTACT DECLARATION OF COMPLIANCE

Date: 01.04.2026

Dec. No: 010420260001 - Rev.01

1. Manufacturer and Product Identification

This is to certify that **MET KAĞITÇILIK SANAYI VE TICARET A.Ş.** is the manufacturer of coated paperboard/cardboard with Polymer (Low-density polyethylene). The items Metpack produces (Brands: **EzyCup, EzyPack, EzyVending**) consist of paper/paperboard with either one-side or two-side Polymer (LDPE) coating extrusion lamination.

Declaration of Origin

We hereby declare that all aforementioned products are **manufactured in Turkey** at our production facility located at: *Akçaburgaz Mahallesi, 1584. Sokak No: 7 Esenyurt / İstanbul.*

2. General Regulatory Compliance

We confirm that the polymer-coated paperboard, raw materials, and substances used in manufacture meet the relevant requirements laid down in:

- **Regulation (EC) No 1935/2004** on materials and articles intended to come into contact with food.
- **Regulation (EU) No 10/2011** (as amended by Regulation (EU) 2025/351 and Regulation (EU) 2026/245) on plastic materials.
- **REACH 1907/2006/EC, Regulation (EU) 2024/2462** and **Regulation (EU) 2023/2055** (including revisions up to 04.02.2026). We confirm that the products do not contain any substances included in the **Candidate List of SVHC** in a concentration above 0.1% (w/w).
- **Turkish Food Codex** Food Contact Matter and Material Communique 2019/44 (Rev: 2023/33, 06.05.2024).
- **Regulation (EC) No 2023/2006** on Good Manufacturing Practice (GMP).

3. PFAS and PPWR Compliance

In accordance with **Regulation (EU) 2025/40 (Packaging and Packaging Waste Regulation - PPWR)**, we certify that our products comply with the restrictions on per- and polyfluoroalkyl substances (PFAS) in food-contact packaging. Based on supplier declarations and independent laboratory testing (EN ISO 23702-1:2023, EN 17681-1:2022, and EN 17681-2:2022), **no PFAS compounds were detected** above method detection limits. The products meet the following thresholds established for August 12, 2026:

Individual PFAS: *25 ppb.*
Sum of PFAS: *250 ppb.*
Total Fluorine: *50 ppm.*

4. Italian National Legislation

The products comply with the specific requirements of the following Italian laws:

- **Ministerial Decree DM 21/03/1973** and its subsequent amendments regarding hygiene regulations for packaging and utensils.
- **DPR 777/82** and its subsequent updates and changes.

The materials meet the purity and compositional requirements (including fibrous matter and auxiliary substance ratios) defined under Italian law for paper and board in contact with food.

5. Declaration of Phthalates and Heavy Metals

We certify that **Phthalates** (including DBP, BBP, DEHP, DIBP, DIOP, DNOP, and DIDP) are not intentionally added during the manufacture of these products. Total phthalate content is confirmed to be **less than 0.1%**. Furthermore, in compliance with **Directive 94/62/EC** and **PPWR** requirements, the sum of concentration levels of **heavy metals** (Lead, Cadmium, Mercury, and Hexavalent Chromium) does not exceed **100 mg/kg**.

6. Declaration of Allergen Absence

We herewith confirm that we do not intentionally use any of the 14 major allergens listed in **Regulation (EU) No 1169/2011 (Annex II)** as additives or raw materials. The production process is managed under GMP to exclude incidental cross-contamination of:

- Cereals containing gluten, Crustaceans, Eggs, Fish, Peanuts, Soybeans, Milk (including lactose), Nuts, Celery, Mustard, Sesame seeds, Sulphur dioxide/sulphites (), Lupin, and Molluscs.

7. Animal Origin (Vegan Philosophy)

- We hereby confirm that **no additive of animal origin is intentionally added** during the manufacturing process of the product.
- We confirm that substances causing **Transmissible Spongiform Encephalopathies (TSEs)**, including Bovine Spongiform Encephalopathy (BSE) and Creutzfeldt Jacob Disease (CJD), are **not intentionally added** in the manufacturing of the product.
- Based on our current knowledge, this product could qualify with **HALAL certification criteria**.
- Therefore, the products are **suitable for vegan philosophy** as they do not contain any animal-derived substances.

8. Specific Use Conditions and Additional Standards

- **BfR Recommendation XXXVI:** Suitable for contact with dry, non-fatty, moist, and fatty foods.
- **FDA Compliance:** Meets **21 C.F.R. 176.170, 176.180,** and **177.1520(c)** regarding components of paper and paperboard in contact with aqueous and fatty foods.
- **Recycled Material:** No recycled polymer material is used.
- **Dual Use Additives:** Any dual-use additives present do not exceed the limits set in applicable food legislation.
- **Mineral Oil (MOSH/MOAH):** Mineral oils are not used as raw materials in this product.
- **Migration Testing:** Compliance is documented through migration tests **OM2** and **OM4**.
